Focus: Attention Disorder as a Survival Mode

Tobias Haberkorn

Lecture of Tobias Haberkorn who studied literature and philosophy in Paris and Berlin. He earned a Ph.D. with a study on the “too much” as a cognitive and poetological category in modern European narrative. He was a culture editor at Zeit Online and has translated essays and plays by Didier Eribon, Alain Badiou, and Ryan Trecartin into German. Currently he is IFK_Research Fellow.
